DETAILED ACTION

1. Claims 9-21 are directed to an allowable product. Pursuant to the procedures set forth in the Official Gazette notice dated March 26, 1996 (1184 O.G. 86), claims 9-21 are, directed to the process of making or using the patentable product or directed to another specie, previously withdrawn from consideration as a result of a restriction requirement, claims 9-21 now subject to being rejoined. Claims 9-21 hereby rejoined and fully examined for patentability under 37 CFR 1.104.

Since all claims previously withdrawn from consideration under 37 CFR 1.142 have been rejoined, the restriction requirement made in the Office action mailed on 1/3/05 is hereby withdrawn.

2. The following is an examiner's statement of reasons for allowance: Prior art (Oda) teaches a weather strip comprising a trimming portion having a substantially U-shaped cross section and attachable to a surrounding part of a door opening of a vehicle, the trimming portion having an outer side wall portion, an inner side wall portion and a connecting portion for connecting the outer and inner side wall portions to each other. The weather strip having a hollow seal portion connected to the trimming portion at a first connection portion, which is placed substantially at a boundary portion between the connection portion and the outer side wall portion. The hollow seal portion having at a second connection portion, which is placed closer to a leading end of the outer side wall portion than the first connection portion and adapted to be more flexible than the trimming portion. The weather strip having a projecting portion provided in the second connection portion in such a way as to extend from the outer side wall portion of the trimming portion, wherein a thickness of the projecting portion along a direction, in which
